How We Can Help

Multiple sclerosis is a complex Disease. The Multiple Sclerosis Society of Canada is here to help.

The MS Society offers a variety of programs and services to help people affected by multiple sclerosis to effectively manage and cope with the disease.

Nurse will be available to answer your questions regarding:
- Medications
- Exercises
- MS support programs

Display Equipment will be available to assist with mobility and comfort.

Please call the Lumby Health Centre to pre-register (250)547-9741

Lumby & District Health Services acknowledges the financial support of the Province of BC and local community funders for Community Health and Information programs.
